

# ICAMS 2020

1-3 October  
**ONLINE EVENT**

## CALL FOR PAPERS

### The 8<sup>th</sup> International Conference on Advanced Materials and Systems

The 8<sup>th</sup> International Conference on Advanced Materials and Systems (ICAMS 2020) is going to be another major international conference in the area of Materials Science, intending to bring together eminent scientists, technologists and young researchers from several disciplines, across the globe, to provide a common platform for discussing their achievements and newest directions of research. ICAMS 2020 conference is focused on Advanced Materials and Systems and recent developments in material science and technology, covering fields from theory and experiment to industrial practice. **In the light of global concerns regarding the spread of COVID-19 and travel restrictions, the ICAMS 2020 Organizing Committee has decided that the 8th edition of ICAMS will be held online, on a web-based platform.** The thematic sessions will be spread throughout the three conference days. Participants will receive information regarding access to the platform in due time. The authors will be asked to submit a 10-minute video presentation of their paper and should be available online on the conference day for a maximum 5-minute Q&A session.

#### CONFERENCE TOPICS

- Advanced Materials and Nanomaterials
- Biomaterials and Biotechnologies
- Innovative Systems, Technologies and Quality Management
- Ecological Processes for Circular and Neutral Economy
- Creative Industries and Cultural Heritage
- Education and Digitalization
